

30<sup>th</sup> March 2020

Dear Parents/Guardians

Thank you for keeping us informed of all the great work you are doing with your children and young people. Staff have been overwhelmed and somewhat emotional when receiving photos of pupils thoroughly engaged in leaning activities and having fun. We commend you for the great effort.

Teachers are working towards supporting learning by contacting families daily via class Dojo. The daily challenges set have been well received and proved very successful, please keep getting involved.

We have emailed families Home Learning Packs so that parents/guardians can continue teaching and learning at home. These packs are now available to download on our website:

<https://chiltern.beds.sch.uk/news-events/home-learning/>

We have also added education links and links to other services:

<https://chiltern.beds.sch.uk/news-events/education-links/>

<https://chiltern.beds.sch.uk/news-events/links-to-services/>

We aim to continue to offer Home Learning support and are planning more work and activities for pupils.

I sincerely hope you are all keeping well and staying safe.

Kind regards

Luisa Vecchio  
Deputy Headteacher  
Quality of Education
