Dear Parents/Guardians,

I am sure you will have watched the announcements last night and perhaps felt a feeling of dread as we enter another period which requires courage and resilience. I know many of you will be anxious about having to juggle life now that we as parents are spinning lots of plates again. We are all very aware of the impact school closure has on young people's wellbeing and progress and in turn how this impacts on parents and families.

We are still intending to set up a group in each zone which will enable pupils of Key Workers and those identified as most vulnerable to access face to face education. We learnt a lot during the last lockdown and will use this along with your feedback to ensure provision is of high quality whether they access remote learning or face to face.

As you can imagine we await clarification and guidance from the DfE on a number of issues, but we are working as quickly as we can to ensure we have a clear and transparent plan for the next 6 weeks.

Please bear with us over the next few days and we thank you for your continued support.

Kind regards,  
Lisa Leonard  
Headteacher
