

26th November 2020

Dear Parents & Guardians,

In order to maintain a COVID secure environment. Sadly, this year we are asking you not to send Christmas cards, gifts or sweets into school for pupils to share with their friends and staff.

We have a range of activities planned that will help pupils understand things may be different and to also bring the school community together.

However, if you would like to donate to our school charity then please visit socsshop.com our new school shop run by our pupils – all proceeds go to improving school facilities.

Thank you for your support.

Kind Regards,
The Chiltern School
