The Chiltern School is a school for pupils with Complex Learning Needs. It offers education for pupils with MLD, SLD, PMLD and also other complex difficulties such as autism, who may also have challenging behaviours.

- The school provides education for pupils from 3-19 years.
- All pupils attending the school have an Education, Health & Care Plan. Occasionally pupils are admitted on an 'assessment' placement pending the completion of Special Educational Needs assessment.
- Admissions to the school are decided and managed by the Local Authority

Monitoring and Review

This policy will be monitored and reviewed on an annual basis by the Full Governing Body.
